

DJ REQUEST 101

S.T.A.R.S wants to make sure that you and your guests are entertained to the highest possible standard at your upcoming affair. We do have a very extensive music library and would like to give you an opportunity to circle ALL and leave the rest to us. We have professional M.C./D.J. Entertainers with some of the best music selections for all different types of audiences. This gives you an idea of just some of the styles of music we do have, and also give us some insight of what you would like us to play to make your party the most musical and memorable event. So please circle some of your personal favorites and also what you think your guests will enjoy:
